Postmaster Bishop has received instructions to dispatch north-bound mail on No. 4—commencing September 14th—the date train No. 8 is taken off the road. Mail for this train will be closed about 3:30 o'clock P. M. We do not know whether this train will stop at Ironton for passengers. If it does not, north-bound passengers who do not get away on the 7:35 train in the morning will not be able to leave Ironton until five o'clock next morning.

Our good friend, A. Winkler, of Poplar Bluff, at present sojourning in the Rocky Mountains, sends us a bundle of Denver papers. Along about the same mail we also received a box of very fine cigars. The postmark was indistinct and there were no other marks to indicate who was the generous sender, but the handwriting is very much like Gus' and we very much suspect he's the guilty party. Anyway, we'll think of you, Gus, as we enjoy the fragrant weed, and the smoke disappears in space.

At the regular meeting of the city council Tuesday night the stock loan ordinance was read for the third time, passed and approved, and the same will go into effect on the morning of the 15th inst. The council thought it best not to enforce the ordinance until everybody had ample time to get their stock up. "Uncle Eli" Ake of the Ironton REGISTER, who has written many poem protests against the town cow and her dingling bell, ought to move down to Oran, where his nightly slumbers will not be disturbed.—Oran Citizen.

Deputy Game and Fish Warden John White, of Williamsville, arrested and brought over here Sunday Jeff Brumley and a young man named Collins, who are charged with having dynamited fish in Black river near Kerrigan on or about June 30th, 1905. Mr. White is doing his utmost to protect the game and fish in this county. Our citizens should lend all needful assistance to him, especially to catch fish bombers, as every one knows the streams of this county are being ruined by the pernicious practice of dynamiting fish.—Greenville Sun.

It is said now that the management of the Missouri Southern railroad are making preparations to change that road from a narrow to a standard gauge. It is also asserted by some who may be in a position to know that when the track is widened to a standard gauge that Frisco engines, coaches and freight cars will be seen running over the road, the impression being that the Frisco system was the real purchaser of the road, and that they will assume active control and operate the road under their own name as soon as the change is made in the track.—Centerville Outlook.

My patience tried was failing fast, For forty years had come and passed Since first a beard my face had grown, Ere I was to thy virtues known— Thou blest Gillette!

The stubbled crop 'd never fail, In sun or rain, in snow or hail, And reaping time came on apace To vex my hand and scar my face— With my Gillette!

And, when I sought the barber's chair, Four times in five, awaiting there, I found ahead a score or so, But now I'm always "next," you know— With my Gillette!

Now mine's my time, and mine the power To choose the minute of the hour; The tedious hair-cut's long delay Is never known to bar the way— Of my Gillette!

No Sunday "hid" imprisons it, No "rules" its use affect a whit, But ever faithful, ever free, It ready is at hand for me— Is my Gillette!

Thy new-found Independence Day Hath ushered in sweet Freedom's sway! Thou hast the chains of bondage burst, And art of conquerors the first— Thou great Gillette!

The preliminary hearing of Amalek Brooks and John Brooks, charged with the murder of John Clemmons at Graniteville on August 12th, was had before Squire Fairchild last Saturday. Some ten or twelve witnesses were introduced by the State and their story of the tragedy was much the same as the evidence before the coroner's inquest, and which was printed in these columns at the time. The defense had subpoenaed twenty-six witnesses for the hearing, but not one was put on the stand, neither were the defendants introduced. The hearing occupied most of the day. After listening to the evidence and the arguments of the attorneys the court announced that the defendants would be held for the circuit court without bail. Prosecuting Attorney Damron and Mr. Edgar represented the State, and D. L. Rivers appeared for the defendants. It is said that Mr. Rivers will attempt to secure the release of his clients on bail by asking for a writ of habeas corpus before the circuit judge.

The excellent musical renditions by Miss Baird's pupils at her home, on Saturday, September 2d, 8 P. M., were enjoyed by fifty invited guests, who manifested their appreciation of the exercises by the pleasing earnest attention and hearty applause. The undaunted heroism displayed in the execution of pieces by each pupil from the sixteen-year-old to the little tot of six, elicited general admiration. Solos, duets, (vocal and instrumental) trios and recitations constituted the evening's programme. Those who took part in the concert were Clara White, piano; John White, mandolin; Gordon White, piano; Edwin White, violin, of St. Louis. Theo. Cottrell, piano; Erny Hietzman, piano; Misses Edith Hietzman, Martha Tumbleson, Blanche Ramsey, Ruth Walters, piano, of Bismarck. Misses Tisha Austin, piano; Essie Yount, guitar; Floy Miller, piano; Ethel Baird, piano; Master Jack Baird, recitation, of Arcadia. After all music was laid aside, delicious refreshments were served and a good social time ensued. About 10:30 P. M. most all guests departed, thanking Miss Mamie for the enjoyable evening, and wishing her a continuation in her thorough and effective work.

The following is from the Poplar Bluff Citizen. Miss Barnett is well known to many of the residents of the Valley who will join us in wishing her happiness and in congratulating the fortunate man who now calls her wife. The bride is a graduate of Arcadia College—class of 1903: "Mrs. Willie Barnett received a letter from her daughter, Miss Alice, this morning, announcing her marriage in Los Angeles, Calif., last Tuesday morning. The following descriptive complimentary notice we clip from the Los Angeles Herald: 'Tuesday morning at 9:30, San Gabriel Mission, Los Angeles, was the scene of a pretty ceremony, when Robert E. Clark and Alice L. Barnett, both residents of Northhoff, were united in the bonds of holy matrimony. They were married at Nuptial Mass, the officiating priest being Father Riley, former pastor of St. Thomas parish of Northhoff. The bride was attired in a creation of white organdie made over white taffeta trimmed with real lace. The maid of honor was Miss Emma Clark, sister of the groom, who was ably supported by his friend, Joseph Ryan, of San Gabriel. After the ceremony, those present sat down to a wedding breakfast, which Father Riley had prepared as a surprise and in their honor. After a few days spent visiting friends, Mr. and Mrs. Clark are to take up their residence at Newhall, where it is the wish of their many friends, in which the Ojai joins, that they may receive and enjoy their full share of matrimonial bliss.' Miss Barnett was well known in this city, and was recognized as one of the most beautiful young ladies of Poplar Bluff. She was loved by all who knew her, for her many womanly traits and sweet address. He husband holds a good position as a government employe, and is quite popular in Los Angeles. We join the bride's many friends in this city in extending kindest congratulations."

"A cold or cough nearly always produces constipation—the water all runs to the eyes, nose and throat instead of passing out of the system through the liver and kidneys. For the want of moisture the bowels become dry and hard." Kennedy's Laxative Honey and Tar is the original Laxative Cough Syrup. It meets and corrects the above conditions, by acting as a pleasant cathartic on the bowels—expels all colds from the system and cures all coughs, croup, whooping cough, La Grippe, bronchitis, etc. Sold by Arcadia Valley Drug Co.

Of Interest to Travelers.

"I travel in the Southern states," says Mr. E. E. Cross, of Melfa, Va. "While driving I had a sudden attack of cholera morbus, with severe cramping pains in the stomach. A customer of mine at the first store I stopped at recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy, and two doses of it set me right. I now carry a bottle of this remedy in my grip constantly as do many other traveling men. I unhesitatingly recommend it." The constant change of drinking water and diet often causes disorders of the bowels. For this reason no one should leave home on a journey without a bottle of this remedy. It is almost certain to be needed. For sale by Arcadia Valley Drug Co.

The Woodman picnic came off Saturday and was quite a success in every way. Several from Williamsville and Piedmont were here. The music was from Ironton and was good.

I attended the Baptist Association on Otter Creek, in Wayne county, last week, six miles east of Mill Spring. It was the greatest meeting of Baptists I have met with for many years. So much interest shown among the people. There were twenty-six churches represented. It made my very soul glad to hear those old soldiers talk. Bro. Duncan, in his sermon, said in part: "Fifty-nine years ago my mother brought me into this church, or rather, the log church which stood where this one now stands. I was just six weeks old, and to-day I am here over 60 years old, and it is a great pleasure to me to meet my old friends and brethren once more. I all ways enjoy looking back over the past and talking of the days gone by. Yet it makes my heart sad when I think over them." Rev. Rubottom, of Greenville, was Moderator, and he did his part well.

Rev. J. D. Watson has been called to Piedmont as pastor of the Baptist church, which numbers over 300 members.

There are now some good farms on Otter Creek and some good buildings. I was through that country in 1871, and it was nothing but a wilderness.

Lord's drug store (who is now in Denver, Colo.) He recommended a bottle of Snow Liniment; I got a 50c size, and it cured my leg. It is the best liniment in the world."
